## Testimonials

Read what people are saying about Steve's harmonica teaching, workshops & online via skype

### Andy (right) with Steve

Having never played a note before I went along to a couple of workshops.

Steve's easy to learn methods and enthusiastic manner meant that I enjoyed them so much it fuelled my desire to progress further.

I now have regular one to one lessons with Steve and genuinely love it. Not only have I become a much better player, it has increased my confidence, widened my friendship base and expanded my musical tastes as well as knowledge.

Learning with Steve is not just playing the harmonica, it's a musical education

### Nigel

I particularly like Steve's group sessions like the Jam night and the 'meet ups'.

All musical styles are explored and there are also a huge variety of musical instruments to play alongside, it is a real chance for an amateur like me to gain experience and first hand knowledge from giggering professionals.

Steve's workshops also have varied content from ragtime, jazz to folk, through to blues, funk and into rock and even very modern material.

I highly recommend Steve as he has helped me so much on my musical journey

'Where have you played yours'?  
Student of the Month - December 2016  
Barry Pope

This month's award goes to Barry Pope (above) for getting up and playing to group of students from the Scottish Missionary School from Darjeeling, on top of the trig point 2800mtrs up on the Everest Trail in Nepal. He is playing their school anthem.

Barry has suggested a photo section in this newsletter '**where have you played yours'?**

Barry started learning harmonica with Steve at March Community Centre about six years ago and has gone on to play a variety of tunes in some unusual places.

Please email Steve with a picture of you playing on stage or even in unusual surroundings.

### Harmonica Meets - 2017

Come and join Steve and fellow harmonica enthusiasts, it's the first harmonica gathering of 2017, Steve has rebooked the Willingham Social Club, Cambs, for another harmonica meet on the 15th January 2017 (13:00 till 16:00) more dates for 2017 include 19th March, 21st May, 09th July, 17th Sept and the 19th of November.

You are all invited to chat and play with fellow harmonica players. It is more relaxed than a standard workshop with many players demonstrating their skills in: using the microphone, using an amplifier, playing in a rack, playing the standard tunes and the taking part in the harmonica duel at the end of the day (all optional).

All players are given the opportunity to demonstrate their skills to the group if they wish. Refreshments are available from the bar. Entry - £30.
